School Connectivity

- Briefly describe how you intend to use Smart Schools funds for high-speed broadband and/or wireless connectivity projects in school buildings. Computer servers will be purchased to utilize a new electronic records management system. The equipment will allow the school to host the system on premise to securely control and maintain confidential student data and educational records.
- Describe how the school plans to use digital connectivity and technology to improve teaching and learning. The new electronic records management system will allow for educators to have streamlined access to pertinent documents for the planning of data driven instruction.
- Does your School Connectivity project require new construction or substantially altered space and result in capitalized cost in excess of \$100,000?

Yes
 No

3a. Certify that your school has obtained approval from the following NYSED offices, where required:

- The Rate Setting Unit
- Office of Special Education
- Office of Facilities Planning

3b. Please enter the project number given to you by the Office of Facilities Planning. (Required)

Classroom Learning Technology Equipment (Devices)

1. Describe the devices you intend to purchase and their compatibility with existing or planned platforms or systems.
2. Describe how the proposed technology purchases will improve teaching and learning inside or outside of the classroom.
3. To ensure the sustainability of technology purchases made with Smart Schools funds, schools must have a plan to maintain and support technology purchases reimbursed with Smart Schools funds. This sustainability plan should support recurring costs of use that are ineligible for Smart Schools funding such as device maintenance, technical support, Internet and wireless fees, maintenance of hotspots, staff professional development, building maintenance and the replacement of incidental items.

By checking this box, you certify that the school has a sustainability plan as described above.

4. Schools must ensure that devices purchased with Smart Schools funds will be distributed, prepared for use, maintained and supported appropriately. Schools must maintain detailed device inventories in accordance with generally accepted accounting principles.

By checking this box, you certify that the school has a distribution and inventory management plan and system in place.
